Dear Lisbon School Department Families,

This communication is to update you on the changes to the Nutrition Program that will take place starting on Monday January 11, 2021.

Meals for ALL residents under the age of 18 are FREE of charge through June 30, 2021.

For students participating in the “Hybrid #1” model who are in school two days per week (grades 4,5,8 and High School), we will be offering a bagged meal containing one breakfast and one lunch to be picked up at the end of the day to bring home for consumption on the following day. Students will be asked to sign up in the morning with their teacher for a bag to take home (High school students will not need to sign up in the morning). Please be sure to ask your student to sign up for a meal for the next day. Bags should be refrigerated once they get home. Milk inside of the bag will be “shelf stable” and does not need to be refrigerated. Students in Cohort B will receive a meal on Thursdays to be consumed on the following Monday. If you have younger siblings who are not yet school age who would benefit from a meal bag, students can sign up for more than one bag if needed.

We will continue to offer our bus stop locations on Fridays for all students and residents under the age of 18. We will discontinue the bus stops on Monday through Thursday. On Friday’s we will have 5 meal pick up sites in Lisbon & Lisbon Falls with meals available from **10:30am-12pm Friday**.

Meal sites on Fridays only are as follows:

Lisbon Fire Station- 41 Village St. Lisbon
St. Ann Park & Ride- Corner of St. Ann St and Webster Rd. Lisbon
MTM Center- 18 School St. Lisbon Falls
Woodgate Apartments- 49 Wing St. Lisbon
